PROBIOTIC ACIDOPHILUS

500 Million
ACTIVE CULTURES**

Also known as "good" bacteria, probiotics are microorganisms that naturally colonize your intestines. There they work to support the health of your digestive tract and encourage proper nutrient absorption and efficiency.† Acidophilus is one of the most important probiotic strains for overall health and well-being.†

100% QUALITY GUARANTEE

WARNING: If you are pregnant, nursing or taking any medications, consult your doctor before use. If any adverse reactions occur, immediately stop using this product and consult your doctor. If seal under cap is damaged or missing, do not use. Keep out of reach of children. Store in a cool, dry place. Refrigerate after opening.

**Nature's Truth® Probiotic Acidophilus contains over 500 million active cultures per serving (including the naturally occurring metabolic product produced by Lactobacilli) at the time of manufacture.

†These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
