We prepare our Gotu Kola Extract from the whole herb of *Centella asiatica* plants that are **Certified Organically Grown** without the use of chemical fertilizers, pesticides or herbicides.

To assure optimal extraction of Gotu Kola's saponins and other bioactive compounds, the plants are hand-harvested at their optimal potency, are carefully shade-dried, and are then thoroughly extracted.

LIQUID HERBAL EXTRACT

GOTU KOLA

Centella asiatica
Whole Herb

HERBAL SUPPLEMENT
