SLIM-DOWN WEIGHT LOSS PROGRAM

Cutting back on sugar is an important part of losing weight. Excess sugar adds unneeded calories and contributes to body fat accumulation. Sugar Blocker can help neutralize the negative effects of sugar in three ways:

- Sugar Blocker can block the taste of sugar on the tongue, thereby reducing cravings for sweets and sugary foods and beverages.†
- Sugar Blocker can help block sugar absorption in the digestive system, leaving many sugars unabsorbed.†
- Lastly, Sugar Blocker helps stabilize blood sugar, which translates into fewer sugars in the bloodstream (in the form of glucose) and less chance of sugars converted into body fat.†

Exercise and diet are also important components of the Sugar Blocker Weight Loss Program. The insert contained inside includes helpful tips that will help guide you on how to maximize your weight loss efforts.

Contains NO artificial colors, flavors or preservatives, yeast, wheat, corn, gluten, nuts, soy or milk-based by-products.

Suggested Use: Take three caplets daily. For Best Results: Take one caplet before each meal up to three times daily. When taking caplet, leave on tongue for 10-15 seconds, then swallow with water.

PureTek Guarantee: Every PureTek product is manufactured and tested for purity and potency.

Warnings: Keep out of the reach of children. Do not take if you are pregnant or lactating. Store in a cool, dry place. Tamper Evident: Do not use if imprinted seal under cap is broken or missing.

† Diabetic Friendly: This product has been formulated without sugars, dyes, artificial colors, flavors, preservatives or any other by-product that would negatively impact persons with diabetes. This product is safe for use by diabetics but can affect daily insulin requirements. Whether you have diabetes or not, it is always advisable to consult with your healthcare professional before starting any diet program.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, cure, treat, or prevent any disease.
