HOW IT WORKS:

Member's Mark™ Ultra Triple Action Joint Health* works differently than glucosamine and chondroitin supplements. Take just one tiny pill daily instead of two large glucosamine and chondroitin tablets.

- Helps support joint mobility, flexibility & comfort*
- Helps preserve joints & maintain cartilage*
- Helps support bone health*

Just 1 Tiny Pill Daily

WHY IT WORKS:

Member's Mark™ Ultra Triple Action Joint Health* is a combination of three important nutrients that help promote joint, bone and cartilage health.*

Type II Collagen (UC-II®) is the same protein found in healthy **cartilage**. Using a patented stabilization process, the cartilage-derived type II collagen is preserved intact.

Hyaluronic Acid exists naturally in your joints.

Boron helps maintain healthy vitamin D, calcium and magnesium levels for healthier **bones**.*

SUGGESTED USE: As a dietary supplement, take one (1) tablet daily with or without food. For best results, daily use is recommended.

Supplement Facts

Serving Size: One (1) Tablet

	Amount Per Serving	%DV
UC-II®** Standardized Cartilage Total Collagen	40 mg	††
Boron (as boron glycinate)	5 mg	††
Hyaluronic Acid (as sodium hyaluronate)	3.3 mg	††

†† Daily Value (DV) not established.
