

Protect your core health all year round with Culturelle®.

Core health begins in the core of your body – the digestive tract, where approximately 70% of your immune system resides. Diet, occasional stress, travel and some medications may cause occasional imbalance of the good and non-beneficial bacteria in the digestive tract. **Culturelle®**, with 100% *Lactobacillus* GG, the most clinically studied probiotic strain, helps to safely and naturally restore the balance of good bacteria in your digestive tract for strong core health.* **Culturelle®** helps your digestive system work better and supports your immune health.*

Also try **Culturelle® Pro-Well™ 3-in-1 Complete Formula**, part of a unique line of probiotic solutions from **Culturelle®** to support your everyday wellness.*

Culturelle® is safe for everyday long-term use.

Directions: For use as a dietary supplement, take one (1) capsule per day to support your immune health.

KEEP OUT OF REACH OF CHILDREN.

Inform a healthcare professional before starting any dietary supplement, particularly if there is a known immune-compromised condition.

Contains **none** of the following: synthetic colors, preservatives, dairy, lactose, milk, yeast, wheat, gluten or soy.

Tamper Evident: Product is sealed within blisters. Do not use if any part of the blister is torn, open or damaged.

Guarantee of Purity & Potency

The *Lactobacillus* GG strain (*Lactobacillus rhamnosus* GG – ATCC 53103) was discovered in 1985 at Tufts University in Boston, MA. Considered the premier probiotic in the world, *Lactobacillus* GG has been the subject of over 1000 scientific studies.

Culturelle® is the only dietary supplement brand with 100% *Lactobacillus* GG. We certify that our products meet the highest standards of purity and potency. Unlike some products which measure the number of probiotic cultures at time of manufacture, **Culturelle®** guarantees the stated number of live naturally sourced *Lactobacillus* GG cultures through the expiration date on the package.**
