Healthy hair starts from within[†]

At Viviscal, we understand hair. There are a whole range of factors which can impact the health of hair and existing hair growth. Statistics show that one in two women and men experience hair loss at some stage in their lives.

Viviscal Professional dietary supplements are scientifically formulated with the exclusive marine complex AminoMar[®] which helps to promote existing healthy hair growth[†] from within.

Viviscal Professional is only available through salons and physicians clinics.

Only Viviscal supplements include AminoMar[®] (475 mg per serving).

Directions:

Take 1 tablet twice daily for a minimum of 3-6 months with water after food. Take as part of complete Viviscal program as required. Viviscal tablets are easy to swallow. Do not exceed the recommended daily intake.
