

Abidec®

MULTIVITAMIN DROPS

WHY DO CHILDREN NEED VITAMINS?

During the first two years, children have a very high nutritional need in relation to their size. Vitamins play an important role in maintaining healthy growth. Vitamins can be used up or lost quickly, therefore it is vital that your child receives the essential vitamins daily.

ABIDEC MULTIVITAMIN DROPS TO AID HEALTHY GROWTH

Abidec Multivitamin Drops have been specially formulated to help meet the nutritional requirements of your children. It is particularly beneficial in the prevention of vitamin deficiencies. Abidec Multivitamin Drops are rich in 7 essential vitamins. Given daily, Abidec Multivitamin Drops provide the correct balance of vitamins to maintain your child's healthy growth.

For best results vitamins should be given every day.
