

Did you know?

Kelp is chock-a-block full of nutrients including iodine, which is greatly appreciated in trace amounts by your thyroid. In fact, Kelp is one of the most nutrient-rich algae on the planet. And it's been used in Traditional Chinese Medicine for over 5,000 years to support strong thyroid function among other things.*

Let's get fresh. Crack open a bottle and inhale. That's organic Kelp responsibly harvested from clean Atlantic Ocean waters off the coast of Nova Scotia. Freshly milled and prepared with love for optimum potency. **Here's to your health!**

Absolutely NO dairy, wheat, peanuts, soy, gluten or corn allergens. Keep out of reach of children. Do not take if pregnant or nursing. Discontinue use if unusual symptoms occur. For further information regarding possible interactions or allergens, please visit us at www.oregonwildharvest.com
