30 SINGLE-SERVING PACKETS  
DIETARY SUPPLEMENT

Keeping your child's digestive system healthy and having healthy digestion is important. However, your child's intestinal balance can be disrupted by non-beneficial bacteria, causing digestive upset. When taken daily, up & up™ children's probiotic packets can help naturally build and restore the proper balance between good and non-beneficial bacteria in your child's intestinal tract.\*\*

up & up children's probiotic packets contain *Lactobacillus rhamnosus* GG, one of the most studied probiotic strains, to help promote digestive and immune health and help alleviate occasional digestive discomfort.\*\*

### Suggested Use:

For children 1 year and above:  
Empty entire contents of one (1) stick pack onto cool food or into a cool beverage and mix until dissolved. Do not add to warm or hot food or beverage. Take one (1) stick pack daily to promote a healthy digestive and immune system.\*\*

THIS PRODUCT IS TO BE USED UNDER ADULT SUPERVISION ONLY. **KEEP OUT OF REACH OF CHILDREN.** Not intended for children under one (1) year of age. Do not give this product to children with immune problems unless directed by a physician. We recommend you consult your physician or healthcare professional with any healthcare questions. Take this product only as directed.

THIS PRODUCT DOES NOT CONTAIN ANY DAIRY, SOY OR GLUTEN.

**Storage Directions:** Best if stored at 72°F (22°C) or below. Refrigeration not required, but may extend product shelf life. For best results, store this product in the original stick packaging.
