

Wellgenix® Osteogenix Joint Complex is a scientifically-advanced, once-a-day formulation that not only helps build and maintain healthy joints and cartilage but also helps relieve joint discomfort.

Wellgenix® Osteogenix Joint Complex combines four powerful joint compounds; Glucosamine, Chondroitin, MSM and HLA in a new once-daily, dose that is available without a prescription. These four essential building blocks are needed by the body to maintain healthy joints.

Wellgenix® Osteogenix Joint Complex provides the body with the building blocks to lubricate, relieve and build healthy joint cartilage thereby promoting joint health.
