GLYCEMIC MANAGER™

glucose support formula

*Clinically shown to increase
the rate of post-meal glucose
metabolism by 78%*†*

60 TABLETS

Dietary Supplement

Glycemic Manager™ glucose support formula supports healthy blood sugar metabolism by enhancing the ability of cells to accept and convert glucose more efficiently.* This fast-acting formula with myricetin supports a healthy insulin response and enhances energy levels naturally.*

Recommendations: Take 2 tablets daily with food or as recommended by your healthcare practitioner.

Contains no sugar, yeast, wheat, gluten, corn, dairy products, artificial coloring, artificial flavoring, preservatives, or ingredients of animal origin. This product contains natural ingredients; color variations are normal.

†Comparing the rate of blood glucose level's return to baseline after a standardized meal when taking Glycemic Manager vs. no product.
