

PROFESSIONAL STRENGTH CURCUMIN uses 98.5% turmeric ingredients to achieve 39X enhanced bioavailability. The SELFD™ self-dispersion technology of Curcugen™ enables sustained release and uptake. The essential oils and polar resins of turmeric that increase absorption are retained, along with 50% curcuminoids in their natural food-state ratios.

SUGGESTED USE: 1 capsule daily with food or as directed by a health care professional. Store with cap tightly closed in a cool, dry place. Keep out of reach of children.
