

Organic Superfood Greens and Vegetables Berry Flavored

The Organic Superfood Greens and Vegetables Berry Flavored blend combines potent cereal grass juice powders, nutrient superdense micro-algae, mineral-rich sea vegetables, prebiotic oligosaccharide gums and fibers, and a wide variety of organic vegetables. Included is a delivery system not only to make the mix taste smooth, but also to improve the absorption of nutrients, so that you get the most from this food. We've added in berry flavor with just the right amount of stevia goodness to make this one of the most pleasant ways to get your vegetables.
