

Organic Superfood Greens and Vegetables Plain

The Organic Superfood Greens and Vegetables Plain blend combines potent cereal grass juice powders, nutrient superdense micro-algae, mineral-rich sea vegetables, prebiotic oligosaccharide gums and fibers, and a wide variety of organic vegetables. Included is a delivery system not only to make the mix taste smooth, but also to improve the absorption of nutrients, so that you get the most from this food. We've left this powder without flavor for highest nutrient density and potency. You can add your own flavor and sweetness, or just enjoy the natural flavor.
