

For over 2000 years, people have used herbs to increase energy, stamina, mental alertness, sex drive, and athletic performance.

Tiffalyn™ contains nutraceutical and herbal ingredients, and is a holistic nutritional supplement that stimulates the body's own natural release of growth factors while feeding and detoxifying the body, scavenging free radicals, balancing the entire endocrine system, maintaining bone, stimulating cartilage growth, promoting protein, fat metabolism, and actions on the skin, while improving the efficiency of the cellular energy system in both the brain and the body. This product may give people a feeling of well-being and energy.

Tiffalyn™ is not a real hormone. It is a 100% natural, oral, affordable youth enhancing formula.

**Recommended Use:** As a dietary supplement. Take 2 capsules each time, twice a day.

**Warning:** KEEP OUT OF REACH OF CHILDREN. Store in a cool and dry place away from sunlight at room temperature. Do not use if outer safety seal is broken or missing. Do not use if pregnant or nursing.
