

SeroVital® Rapid Dissolve Powder gives you the same full-strength Renewal Complex as SeroVital hGH capsules in a delicious, take-anywhere powder form.

Why do you need hGH?

hGH is a critical peptide associated with smoother skin, increased energy, renewed vitality, lean muscle mass, and more restful sleep. As you age, your body struggles to make enough. SeroVital Rapid Dissolve Powder contains a patented Renewal Complex shown in a clinical trial to naturally revive your production of this peptide without synthetic hormones, drugs, or harmful ingredients! Are you ready to see what SeroVital can do for you?

Validated by Science. Proven by You.™

You want results. With SeroVital, you can trust you'll get them. Our supplements and topicals work on the cellular level to address the unique concerns of individuals over 45, and our formulas are created with effective ingredients supported by clinical trials so you can invest in yourself confidently.

3 steps to success

Mix 1 sachet in 8-8 oz. water. Drink entire serving on an empty stomach.

Drink only water and do not eat for 2 hours before and after.

Real change. Real time. Be patient. It's worth the wait.

Represents actual sachet size.
