

1950
mg

A powerful blend of Turmeric, Curcumin (standardized to 95% curcuminoids) and BioPerine® Black Pepper Extract. This potent Turmeric + Black Pepper has been shown to be 2,000x more effective than Turmeric alone.

150
mg

Curcumin, the active compound in Turmeric, is a polyphenol that has been extensively studied for supporting minor aches and the ability to increase antioxidants that the body produces.
