

PROFESSIONAL USE ONLY

**Not for resale on third-party websites,
including, but not limited, to Amazon® and eBay®.**

DIRECTIONS: Take one capsule twice daily, or use as directed by your healthcare practitioner.

Consult your healthcare practitioner prior to use. Individuals taking medication should discuss potential interactions with their healthcare practitioner. Do not use if tamper seal is damaged.

RegeneMax® Plus features clinically tested ch-OSA® (choline-stabilized orthosillicic acid) complemented with biotin. ch-OSA naturally helps nourish your body's beauty proteins by supporting and activating enzymes used by collagen-generating cells to make collagen. Regular orthosillicic acid (OSA) has to be stabilized to avoid polymerization, a process that decreases bioavailability. ch-OSA's patented choline-stabilization technology prevents polymers from forming and ensures OSA's optimal absorption. By combining ch-OSA with biotin, RegeneMax Plus offers an even greater level of beauty support.*
