

Originally called Brahmi, meaning sacred, holy and divine, today Bacopa is considered to be one of the most impressive adaptogens known, empowering clarity of thought and peace of mind.\*

Researchers have proposed a myriad of possible actions for Bacopa including mental alertness, cognitive support, antioxidant activity and mood supporting properties. Bacopa promotes verbal learning, memory and retention.\*

### HAPPINESS THROUGH WELLNESS

**Crafting** traditional medicines based on Ayurveda, a 5,000 year old science that believes the journey back to wholeness begins with nurturing the capacity for joy.

**Trusting** the gifts of nature and the irreplaceable relationship between the plant and its native soil for consistent healing properties.

**Contributing** to the wellness of the earth by teaching our family of farmers to grow native plants sustainably on their land and reduce the demand on the local environment.

**Building** communities by advocating women in farming, protecting fair prices, providing maternal health, sponsoring clinical services and offering school wellness programs.

**Believing** that if wellness is the path to happiness, we must contribute to the wellness of all things. Wellness of people, wellness of the environment, wellness of our communities.
