GREEN TEA ELITE WITH EGCG

*Protects cells against
free-radical damage**

60 VEG CAPSULES Dietary Supplement

Unlike most green tea extract products, decaffeinated Green Tea Elite with EGCG uses a proprietary Phytosome™ process that promotes targeted delivery to cells. The result is increased antioxidant strength and twice the absorption from every capsule.*

Contains no sugar, salt, yeast, wheat, gluten, corn, dairy products, artificial coloring, artificial flavoring, preservatives, or ingredients of animal origin. This product contains natural ingredients; color variations are normal.
