

Research shows that products made with our proprietary Phytosome™ technology are absorbed more effectively than non-Phytosome products.* With this enhanced delivery, more of the key compounds in Hawthorn Phytosome™ dietary supplement get where they're needed most—to the cells in your body.*

This formula was developed in accordance with the safety and efficacy standards set forth by the German Commission E, which is the worldwide recognized authority for effective herbal remedies.

Contains no sugar, salt, yeast, wheat, gluten, corn, dairy products, artificial coloring, artificial flavoring, preservatives, or ingredients of animal origin. This product contains natural ingredients; color variations are normal.
