

**Jigsaw MagPure™ Brain Boost** utilizes the patented Magtein® Magnesium L-Threonate specifically designed to support brain health.\*

Published studies on Magtein® show an increase in brain magnesium levels and support towards healthy and normal short and long-term memory, cognitive function, and learning ability.\*

Your body requires a minimum of 400mg of magnesium per day, which is why we recommend using MagPure™ Brain Boost in conjunction with our top-rated MagSRT® to give your body ample supply of magnesium while fueling your brain with this targeted formula.\*

**Product of the U.S.A.** with select ingredients thoughtfully curated from around the world.
