— Organic, Clean Nutrition —

In a world of choice, living your best becomes a collaboration between you...and you. When your well-being is important, living clean is a conscious choice you make. Sundown® believes in living clean...and being transparent. That's why you won't find genetically modified ingredients, gluten, wheat, dairy, lactose or artificial flavors in ANY of our products. Now, we're going one step further with our USDA Certified Organic Supplements that are 100% free of synthetic dyes. Now there's a clean, organic choice you can feel good about.

Our Terrific Tummy contains 1.5 Billion active cultures to provide you with probiotics to help keep your flora happy.

— Ingredient Facts —

Lactobacillus acidophilus is a species naturally found in the intestinal tract and a variety of fruits and vegetables. The strain in Terrific Tummy ferments various non-digestible carbohydrates to produce lactic acid. Lactic acid in the digestive system can reduce pH levels which creates a favorable environment for the absorption of minerals like Calcium and Magnesium.
