

0 80700 00076 9

To assure optimal extraction of Hyssop's bioactive compounds, the plants are hand-harvested while in full flower, are carefully shade-dried & freed of all stem, and are then thoroughly extracted.

We prepare our Hyssop Extract from the leaf & flower of *Hyssopus officinalis* plants which are **Certified Organically Grown** on our own farm without the use of chemical fertilizers, pesticides or herbicides.

LIQUID HERBAL EXTRACT

HYSSOP

Hyssopus officinalis
Leaf & Flower
