Color may vary due to natural ingredients in the proprietary blend.

Move Free® For what moves you.

We believe in delivering clinically proven benefits to keep people connected to what they love most.

Move Free® Ultra Turmeric Tamarind Blend uses a patented blend of whole root turmeric (curcumin) + tamarind seed extracts:

Clinically proven to deliver joint comfort in as little as 2 weeks with comfort that improves over time.*[†]

Plus delivers antioxidants that protect against cell damage.*[§]

Plus supports a healthy inflammation response.*^{†,2}

About our ingredients:

What is Turmeric? A flowering plant from the ginger family, turmeric contains a compound called curcumin. Research on curcumin has shown it supports a healthy inflammation response.*[†]

What is Tamarind? This tropical tree bears tart, seed-filled pods. Extracts from these seeds contain compounds called proanthocyanidins, which are antioxidants known to support a healthy inflammation response.*[†]
