

Recommended Dose:

Adults and Adolescents (12 years and older): Take 1 ampoule 1 to 2 times daily or as recommended by your health professional.

Children (1-11 years): Take 1 ampoule once daily or as recommended by your health professional.

Squeeze contents directly into mouth. Use for 1 to 2 months or as recommended by your health professional.

Warning: If you are pregnant or lactating, have any health condition or are taking any medication, consult your health professional before use.

Keep out of the reach of children. Do not use if ampoule is broken. Store in a cool, dry place. Contents may not fill package in order to accommodate required labeling. Please rely on stated quantity.
