

Recommended Dose:

Adults: Take 1 ampoule 1 to 2 times daily or as recommended by your health professional. Squeeze contents directly into mouth. Use for 1 to 2 months or as recommended by your health professional.

Warning: If you are pregnant or lactating, do not use. If you are taking any medication or have any health condition, consult your health professional before use. Not to be taken in conjunction with antidepressants unless advised by your health professional. Individuals with bipolar disorder and depression must be monitored closely by a health professional if taking this supplement. It is recommended that individuals taking this supplement have kidney function monitored regularly. Do not exceed the dose recommended by your health professional.

Keep out of the reach of children. Do not use if ampoule is broken. Store in a cool, dry place. Contents may not fill package in order to accommodate required labeling. Please rely on stated quantity.
