

Recommended Dose:

Adults: Take 1 ampoule 1 to 2 times daily or as recommended by your health professional. Squeeze contents directly into mouth. Use for 1 to 2 months or as recommended by your health professional.

Warning: If you have tuberculosis, or a history of tuberculosis, do not use. If you are pregnant or lactating, do not use, unless directed by your health professional. If you are taking any medication or have any health condition, consult your health professional before use.

Keep out of the reach of children. Do not use if ampoule is broken. Store in a cool, dry place. Contents may not fill package in order to accommodate required labeling. Please rely on stated quantity.
