Indolplex® Complex

240 mg

**

modified food starch, 25% diindolylmethane (DIM®),
d-alpha tocopheryl succinate, phosphatidylcholine (soy),
and silicon dioxide

***Percent Daily Values (DV) are based on a 2,000 calorie diet.

**Daily Value not established.

Other ingredients: cellulose, vegetable capsule (modified cellulose), silicon dioxide, and magnesium stearate.

WARNING: Do not use if pregnant or nursing. If taking prescription drugs, consult your healthcare practitioner prior to use. Harmless changes in urine color may occur with the use of this product.

Contains no sugar, salt, yeast, wheat, gluten, dairy products, artificial coloring, artificial flavoring, preservatives, or ingredients of animal origin. This product contains natural ingredients; color variations are normal.

Indolplex® dietary supplement is the first and only stable, bioavailable form of DIM® for healthy estrogen metabolism in men and women.* To receive the same benefits provided by one capsule of Indolplex, you would need to consume at least two pounds of raw broccoli.* Also available in vegetarian tablets.

Integrative Therapeutics' evidence-based natural medicines are the only choice of doctors who rely on the fact base of premier science to deliver patient results.

Recommendations: Take 2 capsules daily with food. If less support is needed, take 1 capsule daily with food, or as recommended by your healthcare practitioner.
