

Recommended Dose:

Adults: Take 1 ampoule 1 to 2 times daily or as recommended by your health professional. Squeeze contents directly into mouth. Use for 1 to 2 months or as recommended by your health professional.

Warning: If you have iodine deficiency, tuberculosis, or a history of tuberculosis, do not use. If you are pregnant or lactating, if you are taking any medication or Vitamin B12, or have any health condition, particularly liver disease, consult your health professional before use. If gastrointestinal upset or skin rashes occur, stop use and consult your health professional.

Keep out of the reach of children. Do not use if ampoule is broken. Store in a cool, dry place. Contents may not fill package in order to accommodate required labeling. Please rely on stated quantity.
