MegaRed®

ACTUAL BOTTLE SIZE

Eco-Friendly. Krill is one of earth's most abundant and sustainable organisms. The harvest of krill is well below conservative international catch guidelines.

MegaRed® goes a step further by only sourcing krill from the Antarctic where krill is most abundant. This helps the ecosystem maintain a healthy, sustainable krill population.

This product comes from a fishery that has been independently certified to the MSC's standard for a well-managed and sustainable fishery. www.msc.org

Schiff® SURE DISSOLVE softgels are formulated to disintegrate within one hour.

Superba Boost is a trademark of the Aker Group.

SUPERBA Boost®

Gelatin is derived from bovine sources.

MegaRed® Superior Omega-3 Krill Oil Ultra Concentrate

MORE OMEGA-3s per MG

MegaRed is the first to give you 35% more Omega-3s per milligram compared to what you can find in standard krill oil supplements. All in just one, easy to swallow softgel!†

PURITY

MegaRed with PureTech™ is 3X MORE PURE than standard krill oil, with the removal of salts and other impurities providing the purest krill oil on the market. You can see the difference with a lighter more translucent softgel.

ABSORPTION

MegaRed is easily recognized and utilized by your body's cell membranes, which are also phospholipid, allowing easy absorption. Just one MegaRed softgel†† provides an unique combination of omega-3 fatty acids and the powerful antioxidant astaxanthin to support your health.*

SUPPORTS THREE MARKERS OF CARDIOVASCULAR HEALTH

MegaRed Superior Omega-3 Krill Oil Ultra Concentrate contains ingredients that support three markers of cardiovascular health:*

- Omega-3 Index: The amount of omega-3 fatty acids, EPA and DHA in blood cells¹
- Triglycerides: A type of fat measured in the blood²
- C-Reactive Protein (CRP): An important marker of systemic inflammation³

More Omega-3s in one softgel††

One 750 mg
**MegaRed Ultra
Concentrate Softgel**

Two 500 mg
Standard Pure
Krill Oil Softgels

†† Total Omega-3 Fatty Acids of 225 mg

★ THESE STATEMENTS HAVE NOT BEEN EVALUATED BY THE FOOD AND DRUG ADMINISTRATION. THIS PRODUCT IS NOT INTENDED TO DIAGNOSE, TREAT, CURE OR PREVENT ANY DISEASE.

1. Proprietary, controlled, human clinical study of 300mg MegaRed for improving Omega-3 Index.
2. Based on 15 randomized, controlled trials assessing the impact of Omega-3 fatty acid intake on serum triglyceride levels.
3. Based on 30-day randomized, double-blind, placebo-controlled trial measuring the effect of 300mg krill oil on CRP levels.
