

0 90700 00081 3

We prepare our Khella Extract from the seeds of *Ammi visnaga* plants which are **Custom Wildcrafted™** especially for us in their wild native habitat in Morocco, Africa. To assure optimal extraction of Khella's bioactive compounds, the seed is hand-harvested only when fully mature, is cleaned of superfluous plant materials, and is then thoroughly extracted.

LIQUID HERBAL EXTRACT

KHELLA

Ammi visnaga
Mature Seed

HERBAL SUPPLEMENT
