IRON COMPLEX™

*Highly-absorbable iron with
liquid liver fractions*

90 SOFTGELS

Dietary Supplement

Iron Complex™ features liquid liver fractions, a rich source of heme iron. Heme iron is the most easily absorbed form of iron, and doesn't cause side effects such as nausea.* Iron Complex also includes other synergistic factors known to increase absorption and promote healthy red blood cells.*

Warning: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. Keep this product out of the reach of children. In case of accidental overdose, call your physician or a Poison Control Center immediately.

If pregnant, nursing, or taking prescription drugs, consult your healthcare practitioner prior to use.

Contains no sugar, salt, yeast, wheat, gluten, corn, dairy products, artificial coloring, artificial flavoring, or preservatives. This product contains natural ingredients; color variations are normal.
