We prepare our Khella Extract from the seeds of *Ammi visnaga* plants which are Custom Wildcrafted™ especially for us in their wild native habitat in Morocco, Africa.

To assure optimal extraction of Khella's bioactive compounds, the seed is hand-harvested only when fully mature, is cleaned of superfluous plant materials, and is then thoroughly extracted.

LIQUID HERBAL EXTRACT

KHELLA

Ammi visnaga

Mature Seed

HERBAL SUPPLEMENT

4 fluid ounces (118.4 ml)

Khella Liquid Extract

Ingredients: certified organic grain alcohol (62-72%), distilled water & Khella extractives.
