If your healthcare professional is recommending you take a fish oil, Eskimo®-3 pure, stable fish oil is for you!

GUARANTEED POTENCY

The highest concentration of Omega-3 inherently obtainable from fish oil without chemical modification or spiking.

GUARANTEED PURITY

Purity tested for PCBs, heavy metals (including mercury), and other impurities.

QUALITY TESTED

Protective tocopherol complex prevents rancidity with NO fishy aftertaste.

KEEP OUT OF REACH OF CHILDREN. Safety sealed with inner seal. Do not use if seal is broken or missing. Store in a cool, dry place.

Eskimo®-3 is a registered trademark of Midsona Sverige AB.

WHY TAKE FISH OIL?

Omega-3 Fatty Acids Help Reduce the Risk of Coronary Heart Disease.

Supportive, but not conclusive, research shows that consumption of EPA and DHA Omega-3 fatty acids may reduce the risk of coronary heart disease. [See Supplement Facts Box for total fat and cholesterol content.]

NOT ALL FISH OILS ARE CREATED EQUALLY.

The innate EPA and DHA ratios in Eskimo®-3 supply exceptional stability and prevent rancidity to ensure potency, purity, and quality.

Why Should You Care About Stability?

If your fish oil is unstable, it can result in:

- Destruction of nutrients
- Unpleasant odors and flavors

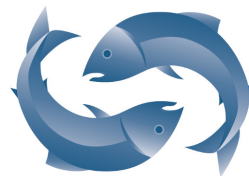

Certified Kosher and Pareve
Used only for medical reasons
