

Our superfood based formula helps you become healthier without making drastic changes to your diet. Powered by the West African fruit Dyglofit®, this formula improves insulin sensitivity and enhances your metabolic rate so you can keep your diet but lose the pounds. Combining tea extract and chromium, TrimGlo is a healthy solution to weight-loss without adding stimulants.*

If you are pregnant, nursing or have a medical condition, consult your physician before use.
Store in a cool, dry place.
