Supplement Facts

Serving Size 1 capsule

Amount per capsule

Isoquercetin

100 mg**

**Daily Value not established.

Other ingredients: cellulose, vegetable capsule (modified cellulose), modified cellulose gum, silicon dioxide, and magnesium stearate.

Recommendations: Take 1 capsule one to three times daily or as directed by your healthcare practitioner.

If pregnant, nursing, or taking prescription drugs, consult your healthcare practitioner prior to use.

Contains no sugar, salt, yeast, wheat, gluten, corn, soy, dairy products, artificial coloring, artificial flavoring, preservatives, or ingredients of animal origin. This product contains natural ingredients; color variations are normal.

Exclusive to Integrative Therapeutics™, Isoquercetin provides all the benefits of quercetin flavonoids with better absorption.* Isoquercetin, the bioactive form of quercetin, is absorbed more effectively in the small intestine because of its glucose moiety.* This improved absorption means that it reaches the bloodstream ten times as fast, with peak plasma concentrations up to 20 times greater than other forms of quercetin.*† Fast-acting Isoquercetin enhances cellular antioxidant defenses, supports cardiovascular health and modulates the body's immune-response mechanisms.†

†As compared to quercetin rutinoid
