

Novel Mechanisms of Action

Researchers have long known that stress and injury can alter cell metabolism and weaken immune system regulation, leading to serious health complications. Nobel Prize laureate, Dr. Albert Szent-Gyorgyi, published research in the 1980s showing that compounds found in very minute quantities in wheat germ could help support healthy cell metabolic function.* Fermented Wheat Germ Extract (FWGE) was created when a process was developed to concentrate these compounds by fermenting wheat germ by baker's yeast.

The "BioActive Fraction"

Extensive research on FWGE drew the attention of scientists at a leading NCI-designated academic research center. They invited American BioSciences® to join a research collaboration to identify the individual molecules in FWGE that account for its biological activity, and find the "bioactive fraction". This research collaboration determined:

- In its natural form FWGE consists of *thousands of molecules*, but 100% of the biological activity and health benefits are provided by *less than 100 molecules* which compose the "bioactive fraction."
- Non-active molecules dilute FWGE bioactives and they include gluten and gliadin which may contribute to unwanted health issues.

American BioSciences developed a patent pending combination of technologies used in food processing which concentrates the "bioactive fraction," referred to as **FWGE-SC® (Fermented Wheat Germ Extract-Super Concentrate)**. Non-active molecules, including gluten, are excluded. Studies show that 41 mg of FWGE-SC has the same biological effect as 5,500 mg of pure FWGE.

EXCLUSIVE FOR HEALTH PROFESSIONALS

Metatrol PRO®

 Fermented Wheat Germ Extract
- SUPER CONCENTRATE (FWGE-SC®)

NO NEED TO REFRIGERATE!

- GLUTEN-FREE!
- SUGAR-FREE!
- GMO-FREE!
- DAIRY-FREE!
- SOY-FREE!
- VEGAN FRIENDLY!

Suggested Usage: As a dietary supplement for adults, take 2 Metatrol PRO® capsules per day (before, during or after meals, as preferred). For people weighing over 200 lbs, take 4 Metatrol PRO capsules per day.

Caution: KEEP OUT OF REACH OF CHILDREN. Should not be taken during pregnancy or while nursing. Consult with a healthcare professional for recommended usage levels for children and guidance using more than 4 Metatrol PRO capsules per day. Do not consume Metatrol PRO if you are taking immune suppressive medication. This product is manufactured with wheat germ and baker's yeast. Use cautiously if sensitive to these ingredients. The wheat in this product is processed to meet FDA requirement for gluten-free.

This product is not intended to be the sole source of nutrients in the diet. This product is not affected by temperatures under 122° F (50° C). Best if stored in a dry place at temperatures less than 80° F (26 °C).

Supplement Facts

 Serving Size: 2 Capsules
Servings Per Container: 30

Amount Per Serving	% DV
Fermented Wheat Germ Extract-Super Concentrate (FWGE-SC®) 41 mg	†

†Daily Value (DV) not established.

Other ingredients: V-Cap® plant-derived cellulose, microcrystalline cellulose, hypromellose.

CONTAINS: WHEAT**

** The wheat has been processed to allow this food to meet the Food and Drug Administration (FDA) requirements for gluten-free foods.

MANUFACTURED IN THE USA
IN A GMP FACILITY

 EXCLUSIVE FOR HEALTH PROFESSIONALS
Metatrol PRO®
- SUPER CONCENTRATE (FWGE-SC®)

MADE IN U.S.A.

GLUTEN-FREE!

EXCLUSIVE FOR HEALTH PROFESSIONALS

Metatrol PRO®

 Fermented Wheat Germ Extract
- SUPER CONCENTRATE (FWGE-SC®)

Support Mitochondrial Rescue*

Support cell metabolic regulation, maintain healthy oxidative glucose metabolism and abnormal non-oxidative metabolism*

Support optimal immune system function*

Regulate balance of cellular and humoral immunity (Th1/Th2)*

The Most Potent Fermented Wheat Germ Extract Ever!
SAME biological effect and health benefits as all previous FWGE formulations in just two small and convenient capsules!*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Introducing Metatrol PRO® from ABS-Rx®

The most potent and super concentrated Fermented Wheat Germ Extract (FWGE) dietary supplement ever produced and the only one that is gluten-free!

Metatrol PRO is:

- **Much easier and convenient to take!** Just 2 Metatrol PRO capsules, with 41 mg of FWGE-SC® have the same activity as 5,500 mg of AvèULTRA® pure FWGE freeze-dried powder and 8,500 mg of Avè® FWGE spray-dried powder.
- **Heat stable** up to 122° F and can be shipped in warm weather months without ice, unlike other FWGE products.
- **Gluten-free**, for people with gluten or wheat allergies.

Research Proven Effectiveness

First introduced to the United States in 2005, FWGE has been amazing researchers, impressing health professionals and satisfying consumers. More than 40 articles have been published in peer-reviewed journals describing hundreds of studies with FWGE in cell lines, in animals and in human clinical trials showing safety and efficacy. Research shows that FWGE helps to provide remarkable health benefits in a wide range of serious health concerns.* When taken orally it helps to:

- Promote cell metabolic regulation, maintaining healthy oxidative glucose metabolism and curbing abnormal non-oxidative metabolism.*
- Redirect energy to healthy cells for renewed vitality and enhanced quality of life.*
- Support optimal immune system function.*
- Regulate balance of cellular and humoral immunity (Th1/Th2).*
