

AHCC plus Vitamin D3

Suggested Use: As a dietary supplement for adults, take one (1) capsule twice per day for general maintenance. For maximum benefit, take up to 6 capsules per day.

ImmPower D₃ contains two of the most well-researched immune supplements, **AHCC** and **Vitamin D₃**. AHCC is a powerful Japanese mushroom extract that maintains peak Natural Killer cell function, one of the most important aspects of immune system performance and Vitamin D₃, known as the "Sunshine Vitamin" plays a vital role in overall immune health.*

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**

AHCC is a registered trademark of Amino Up Co., Ltd., and is a product of Japan. Vcaps is a registered trademark of Capsugel.
