Keep Out of the Reach of Children
take 30 to 40 drops in a little water.

Two to four times per day

SHAKE WELL BEFORE USING

005

SUGGESTED USE

LIQUID HERBAL EXTRACT

LINDEN

Tilia spp.

Flower with Bract

HERBAL DIETARY SUPPLEMENT

1 Fluid Ounce (29.6 ml)

We prepare our Linden Extract from the flowers of *Tilia* spp. trees which are **Certified Organically Grown** and/or **Custom Wildcrafted™** in their natural wild habitat.

To assure optimal extraction of Linden's bioactive compounds, the flowers (with bracts) are hand-harvested in mid-summer just as they are blooming, are carefully shade-dried to retain their full color & aroma, and are then thoroughly extracted.

Our Linden is never fumigated or irradiated.

Dry flower / menstruum ratio: 1 : 4

Contains **certified organic grain alcohol** (38-48%),
distilled water, vegetable glycerine
& Linden extractives.
