

Certified Organic

Antler Farms® Organic Beet Root is 100% pure, certified organic New Zealand beet root. Our beets are grown outdoors in natural sunlight with fresh water in the fertile soils of New Zealand's Canterbury Plains, without the use of pesticides and free from environmental pollution. Freeze dried with no fillers, artificial colors, flavors, sweeteners or preservatives.*

Powerful Nitrates

Beet root is an excellent source of nitrates, antioxidants and other essential nutrients, vitamins and minerals. A powerful natural nitric oxide booster, beet root promotes healthy blood flow through the body, supporting improved energy levels, athletic endurance and cardiovascular health.*
