

lovely LEGS™

True Beauty Comes from Within

Lovely Legs™ is among the only diosmin formulas available backed by extensive human clinical studies. Widely prescribed by doctors in Europe for decades, Lovely Legs™ promotes the health and tone of small veins and capillaries, especially in your legs, supporting healthy circulation necessary for lively, beautiful legs.† Lovely Legs™ also promotes lymphatic flow and drainage which supports the body's natural detoxification system.†

Clinically Demonstrated Benefits:

- Supports the health and tone of veins and capillaries, especially in the legs†
- Reduces the visible signs of varicose and spider veins†
- Supports healthy blood flow and circulation, especially in the legs†
- Helps reduce occasional swelling, water retention and the sensation of heaviness in legs caused by standing or overexertion†
- Helps maintain overall blood vessel strength†

Clinically Demonstrated, 95% Diosmin Formula
