CLINICAL NUTRIENTS™ PRENATAL FORMULA

*Comprehensive daily multiple formula
for pregnant or lactating women*

120 TABLETS

Dietary Supplement

Other ingredients: cellulose, modified cellulose, modified cellulose gum, stearic acid, titanium dioxide color, magnesium stearate, soy lecithin, carnauba wax, and soybean oil.

WARNING: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. Keep this product out of the reach of children. In case of accidental overdose, call your physician or a Poison Control Center immediately.

WARNING: If you are taking Coumadin®† (warfarin), or any other prescription drugs, see your healthcare practitioner before using this product.

A pregnant or lactating woman is constantly "feeding" her child from the nutrients in her own body, so it's no surprise she rapidly depletes these vitamins and minerals. Clinical Nutrients™ Prenatal Formula provides the appropriate nutritional balance pregnant women need.*

Healthy diets with adequate folate may reduce a woman's risk of having a child with a brain or spinal cord birth defect.

Recommendations: Take 4 tablets daily for pregnant and lactating women. Can be taken as one or two tablets with each meal.

Contains no sugar, yeast, wheat, gluten, corn, dairy products, artificial flavoring, or preservatives. All colors used are from natural sources.

†Trademark of its respective company.
