LAXATIVE FORMULA*

*Supports comfortable elimination
without harsh stimulant laxatives**

60 TABLETS

Dietary Supplement

Laxative Formula gently but effectively cleanses the intestinal surfaces and promotes bowel function without the use of harsh, stimulant laxatives, such as senna and cascara.* These laxatives chemically stimulate the intestines. If used on a routine basis, the bowels can become dependent on them and lose the built-in reflexes that normally help the bowels function. In contrast, Laxative Formula works with the body's own elimination processes to safely promote bowel movements.*

***Evidence-based natural medicines are the only choice of doctors who rely on the fact base of premier science to deliver patient results.

Recommendations: Take 2 tablets at bedtime. May increase to 3 tablets at bedtime, if needed. Reduce dosage if you experience abdominal discomfort or diarrhea. If discomfort persists, discontinue use.

Warnings: Consult a healthcare practitioner if a sudden change in bowel habits occurs and persists for two weeks or if taking prescription drugs. Rectal bleeding or failure to have a bowel movement after use of a laxative may indicate a serious condition; discontinue use and consult a healthcare practitioner. Do not use if pregnant or nursing. Unless directed by a healthcare practitioner, do not use laxative products when abdominal pain, nausea, or vomiting is present, or if you have kidney disease. Do not take more than three tablets in a 24-hour period or use the maximum dosage for more than two weeks. Laxative products are not intended for long-term use, unless directed by a healthcare practitioner.
