CV™ Defense Questions & Answers

Does it work?

CV Defense works when used daily to support barrier immunity, innate immunity, and adaptive immunity. Our proprietary blend of PEA with organic reishi extract and nutrients includes key ingredients that are supported by multiple clinical trials.

Is it safe?

The ingredients in CV Defense are well documented as safe by numerous clinical studies. All ingredients used are GRAS (generally recognized as safe) and undergo thorough quality and safety assessment to ensure they meet our strict standards.

Why CV Sciences?

Our products can improve the quality of your life (CV, or Curriculum Vitae, is Latin for "course of life"). We provide nature-based solutions supported by science that can help you transform your health.
