

SUGGESTED USE: ADULTS AND CHILDREN OVER 12: 1 rounded teaspoon, 1 to 3 times a day. **CHILDREN 6-12:** 1/2 to 1 level teaspoon, 1 to 3 times a day.

Start by taking 1 serving each day. Gradually increase to 3 servings per day if needed. Stir powder briskly into at least 8 ounces (a full glass) of liquid. Drink immediately. Juice, water, soy or rice drink, and milk are all good with Psyllium Husks Powder. For easiest mixing, shake in a closed jar. If product is too thick when consuming, add more liquid and stir. Drinking additional liquid is helpful. If minor gas or bloating occurs, reduce the amount you take until your system adjusts. Use every day for best results.

As with all bulking fiber supplements, do not take within 1 to 2 hours of prescription medications. If you are taking medication or are under a doctor's care, consult a health professional before use.

Fill controlled by weight, not volume.
Contents may settle during shipping and handling. Store at room temperature. Keep lid tightly closed to protect from humidity.

No preservatives. No artificial flavor. No artificial color. No added sugar, binders or fillers.

Note: All psyllium husk products, and most agricultural products, contain some chemicals that the plants absorb from the soil.

INGREDIENTS: Psyllium seed husks.
