

Lipotropic Complex™ dietary supplement provides comprehensive transmethylation support for the liver by combining phytonutrients and bile salts.* Choline, methionine, and silymarin act as methyl donors in hepatic transmethylation reactions.* Vitamins B6, B12, and folic acid are required as cofactors for these conversions.*

Integrative Therapeutics' evidence-based natural medicines are the only choice of doctors who rely on the fact base of premier science to deliver patient results.

Not recommended for use if pregnant or nursing. If taking prescription drugs, consult your healthcare practitioner prior to use.

Recommendations: Take 1 or 2 capsules three times daily with meals, or as recommended by your healthcare practitioner.

Contains no sugar, salt, yeast, wheat, gluten, corn, soy, dairy products, artificial coloring, artificial flavoring, or preservatives. This product contains natural ingredients; color variations are normal.
