Manly Men – this is for you, if you're not a manly man then you need this to man up. Now I know you're thinking 'should I trust what this bottle is saying?' Dude, seriously? I'm a bottle! However real people have used me before and I'm sure you would rather listen to real people than a bottle (unless you're looney – then buy me now!) To check out what real people are saying go to the ATP Science Facebook page or search #Alphamars on Instagram.
