

**SUGGESTED ADULT USE:** Take 1 or 2 capsules twice a day, with or between meals. Take each serving with a full glass (8 oz) of liquid. Begin gradually.

**Note:** Most herbal products, and most agricultural products, contain some chemicals that the plants absorb from the soil.

## Supplement Facts

Serving Size 1 capsule

| Amount Per Serving                                                                                                                                                                                                                                                                                            | % Daily Value* |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------|
| Zinc 750 mcg                                                                                                                                                                                                                                                                                                  | 59%            |
| Cleansing herb blend                                                                                                                                                                                                                                                                                          | 396 mg**       |
