Raw Green Superfoods (Chlorella, Barley Grass, Wheat Grass, Alfalfa) help nourish and cleanse from the inside out, while a combination of adaptogens and antioxidants (Moringa, Ashwagandha, Rhodiola, Blueberries to name a few) help protect against environmental stress factors to support radiant skin. To help boost your energy, metabolism and support your digestion we also added Matcha Green Tea, Flax Seed, digestive enzymes and probiotics.†

DIRECTIONS: Mix 1 scoop into 8 oz. of water, milk (we love it with almond milk), your favorite smoothie or non-citrus juice.
